

Enjoy a steam train ride and meet Santa at Apedale!

Your trip begins by checking-in at the railway shop, in the station adjacent to the Apedale Heritage Centre.

The station shop is well-stocked with railway-related books and gifts to suit all ages and pockets - ideal for that elusive last-minute present

During the 15-minute round trip, Santa will meet the train, and return with them. Here, children will be able to meet Santa individually in his Grotto. Make sure your camera is ready to capture those magical Christmas memories! The experience lasts (typically) between 30 minutes and an hour.

Arrival and check-in

Please park where signposted. You will be directed to the railway station, where you should check-in at least 20 minutes before your train is due to depart. You will be asked to confirm children in your party and their age groups - you should select the age group (for the gift) which you feel appropriate for your child.

You will be issued with your train ticket and a token for each child to hand to Santa. You may wish to check-in early and visit the Heritage Centre and enjoy the food and drink on offer in their cafe - but make sure you're back at the station in time for your train.

Please dress warmly. The train coaches are unheated (but are enclosed).

Other attractions

Our partner organisation, the Apedale Heritage Centre offers a guided tour of the coal mine (age restrictions apply), a free-to-enter museum and cafe. Don't forget that every adult ticket includes a free hot drink, which should be claimed at the Heritage Centre cafe. Alternatively, the country park offers ample opportunities for a walk.

Any problems?

Should you have any problems on the day, please speak to one of our team. If you have booked for a child who is unable to attend, please let us know and we will ask Santa to supply an appropriate gift to send home for them.

In the event of late (or non) arrival:

- we reserve the right to re-allocate your seats.
- we will endeavour to seat you on a later train, subject to availability
- if we are unable to accomodate you on a later train, you will be offered the option to take a gift from Santa without the train ride.

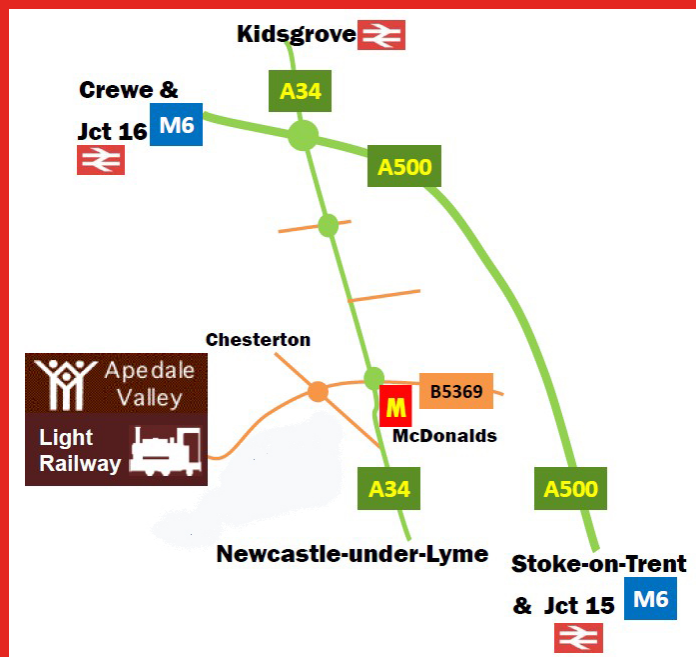

Anything else?

Please note that all trains depart from our station adjacent to Apedale Heritage Centre. It is not possible to join Santa Trains at Apedale Road station.

Thank you, and we hope you enjoy your time with us.
